DANCE FUSION: THE PLANETS

Orchestra and dance come together as never before at GBS with this extraordinary presentation of Holst's *The Planets* suite. Eric Jacobsen brings **you on the stage** to join our musicians and the **Dance Heginbotham** troupe. You're right there amid the action, dancing among the planets – vicariously, of course!

This unique show will be presented with intimate audiences (150 people maximum) with four shows – 2 shows each on Friday and Saturday evenings.

Please note the location of this concert: Mertens Theater at the Bernhard Center, Paier College (formerly University of Bridgeport), 84 Iranistan Avenue, Bridgeport.

This concert is sponsored through the generosity of the **Ernest and Joan Trefz Foundation.**
